Associate Pastor

It's been reported that a Baptist church in Haynesville, Georgia is taking a bold step during this COVID-19 pandemic. The announcement out of the church office is that they will step out in faith, not fear, and reignite their Sunday School program which has been mostly untouched since the end of March of this year. The pastor is well-known as someone who leads by example, and he's going where the Lord has led him—open up Sunday School. The news is that the teachers are chomping at the bits, eager to get back into the weekly study of God's Word. The staff of the church has been reportedly 101% behind the move. Even the deacon body has stepped up to the plate and thrown it's full support behind the move. It'll be a step in the right direction, even though others say that it's too soon to open up the Sunday School classrooms. The dispatch is that 9:15 a.m., Sunday, is the target for D-Day—Depending on God to see the church through the bold move. The scoop is that there are enemies out there who want to see the Sunday School members stay home, away from what they proffer as “dangerous activity.” According to the best sources, the church is on target for this Sunday, and unless the Lord comes to rapture His church away, there will be SUNDAY SCHOOL THIS SUNDAY!

Brother Winfred

Hello Students and Parents!

We are so excited to announce that we will be back to Sunday School starting this Sunday at 9:15am.

I also want to take this opportunity to tell you about some of the other things we have going on. On Sunday and Wednesday evenings we just started studying through the Gospel of John. There is so much for us to learn in this book of the Bible. We hope you will join us. The last thing is that we have started back our bi-weekly Bible study. September 11 will be the next one. Currently we are looking at several of the major world religions and learning not only what they believe but how the truth of God's word speaks to the lies of their religion.

Youth Pastor

I have been very encouraged with what the Lord is doing amongst us. Last week we had two of our own baptized and I have been receiving numerous text from students telling me that the are sharing the gospel with their friends at school and asking for guidance in their conversations. This is becoming the new normal for us! Praise the Lord. *“For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes.”* - Romans 1:16

Pastor Matt

I hope that you and your children are getting settled into the new routine called SCHOOL. I hope they have been excited about going back and seeing their friends as well. Most of all I hope that you have made Church a major part of your weekly routine. We have several opportunities for you and your children to be plugged into church here.

We have been having fun “Journeying through the Bible” during Children’s Church on Sunday Mornings at 10:30 AM. We also have been having RA’s, GA’s, and Mission Friends on Sunday Evenings at 6:00 PM. Since school has started back, we even started back our Awana’s Program on Wednesday’s at 6:30 PM. But this week I

Family Pastor**

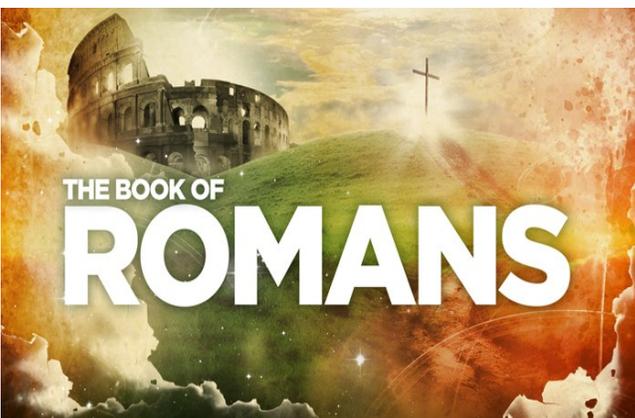

am excited that we will be starting back our Sunday School Classes. We will be having Sunday School at 9:15 AM. Be sure to have your kids here for these very important times of Bible Study.

Most colleges have already begun but most classes look a little different than before. I hope you have gotten settled in and adjusted to things looking and feeling a little different. As Christians we should look and feel different every day no matter what is going on in the world around us. As we have been studying in the book of Romans we have freedom because of Christ and we need to be living in that freedom and not living as a slave to sin.

Be sure that you are involved in our College and Career Small groups. We meet on Sunday Evenings at 6:00 PM, Wednesday Evenings at 6:30 PM, and this week we will start back meeting for Sunday School at 9:15 AM. We will continue in Romans on Sunday and Wednesday Evenings but on Sunday Mornings we are going to start a study on Life Lessons from Old Testament Heroes. This is a study you are for sure going to enjoy.

We have began planning some activities and events that you are not going to want to miss. If you have a college aged

student encourage them to come and join us for Bible Study, fellowship, and just a good time.

You will not regret the time spent together.

Hello Senior Citizens,

Can you believe it's September already? Time flies when we are having fun, doesn't it? I am looking with great anticipation about Sunday School starting back this Sunday, September 6th. Sunday School is at 9:15am, with the worship services at 8:00am and at 10:30am. I can hardly wait to see all of you back together in Sunday School.

Let me give you an update on the "JOY" Ministry starting back. Since the Corona Virus is still hanging around and the hot weather also in September, we are going to have our first "JOY" Meeting with a fish fry for all our seniors in October, the third Thursday, October 15th, at 6:00pm in the Family Life Center. It will be a little cooler then, and

hopefully things will be a lot better with the Corona Virus. The Brotherhood will be helping me with the fish supper. We will have everything cooked and ready for all of you at 6:00pm. Fish, hushpuppies, Cole slaw, French fries and tea. Maybe some of you good cooks might bring the desserts for us. Sorry about having to put it off a month, but we discussed it with Brother David and other leaders, and felt that it would be better this way.

Lavonia and I love all of you and are looking forward to when we can all be back in our meetings together. Just remember, we love you and are just a phone call away.

God Bless You,

Bro. Tubby
