We've been praying for revival and just maybe we haven't taken the time to consider what "revival" may bring into our midst. If our series of meetings, with our well-qualified evangelists, are intended to be conveyors for revival, what can we expect on Thursday morning when we start out the day with the last several days of worship behind us? Could I suggest to you Psalm 85:6 as just one of the results of a resurrection of our spirit: "Wilt thou not revive us again: that thy people may rejoice in thee?"

There is something about "rejoicing" that brings out the best of us for the betterment of God. He alone is worthy of our worship, and celebrating His "worship" will bring out the loftiness of our rejoicing in Him. Rejoicing can become the seed of a continual revival in our personal life and in the life of our

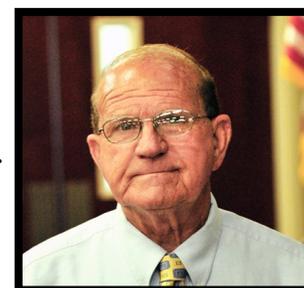

church. When we can, "Rejoice evermore" (1 Thessalonians 5:16), our days and nights will be seasons of refreshing. As we "rejoice in the Lord always" (Philippians 4:4), at all times, good and evil, we live in a constant atmosphere of revival. When we "rejoice with them that do rejoice" (Romans 12:15), we share a common pattern of revival that will not only invade our life personally but will remain with the fellowship all the days of our life. Men cannot bring revival, only God can; and I believe that if we start rejoicing now, then the days of revival will be the proof that our praying has not been in vain. Prayer will open the door for revival, and rejoicing will keep the door open.

Hope to see you at our "revival of rejoicing."

Hello to all our senior citizens! In these times of troubles and trials in our communities and throughout our nation my prayer is that we would never, ever forget that our God, the creator of this world and all that I in it, and our Lord and Savior Jesus Christ, is still on the throne and has earthing under His control. Our adversary, Satan, would have us to believe that he is controlling and in charge of all these events, but we know that Satan can only do what God allows him to do. God's ultimate purpose and plan will be fulfilled and one day we, as Christians, will live forever in His Kingdom. Isn't that a blessing and a joy beyond measure!

We had a great time and fellowship together in our JOY Meeting on October 15th. The fish supper with all the trimmings was FANTASTIC! The Brotherhood did a great job cooking and serving the 90 or so that attended. We also provided meals to some of our shut-in folks as well.

Coming up on Thursday November 19th at 6PM, we will meet again for our JOY Meeting and our Thanksgiving meal. Turkey, ham and all the sides will be provided. Desserts will be provided by some of our ladies. We will be following the Covid-19 guidelines with our seating arrangements and also in serving the meal. Come join us if you can!

Also coming up on Saturday, November 21st, we will deliver meals to our shut -in folks and their families. Along with the meals we will provide them with a Boston Butt. We thank the Brotherhood and our Church Family for sponsoring and helping with this project.

Remember that Lavonia and I are here for you, praying for you, and waiting to assist you in any of your needs.

God Bless, Bro. Tubby

Hello First Baptist Church of Haynesville,

As we are rapidly approaching our upcoming revival I wanted to share a few thoughts with you that we can be praying through together.

The first is our need for revival. 2020 has been a crazy year with a lot of unexpected events. This year has caused many people to really soul search. In my time of digging in the Word of God this year I have constantly been drawn back to John the Baptist. What was his message? "Repent for the Lord draws near". While 2020 has been a lot of things, for the church, I believe that it has provided a wonderful opportunity for us to repent. Some of you may be feeling spiritually dead at the moment. Some of you may feel spiritually depleted. So of you may just feel off spiritually. We all need to be revived by the Lord. We all have things we need to repent of. True repentance involves confession of sin, turning from that sin, and following Christ in a new direction. The youth and I have been praying that the Lord would allow us all to repent and be revived. This culture needs to see and hear from us on fire for the Lord and His Word.

Secondly, as we are quickly approaching the upcoming election I would like to take a moment as the Youth Pastor to remind you all that politics are always downstream from the culture. If those of you who are Biblically grounded in your faith are not pouring the biblical truth you have learned and experienced into the younger members of our church, how will they know all the Lord has come to show you over time? Voting is not all we as Christians are called to do. We are called also to engage the upcoming generations of the church with the truth of the Gospel. Many of you have been walking with the Lord for more years than I have been alive. Many of you have raised several generations in the admonition of the Lord. I urge you to pour that knowledge into the upcoming generations so that they can be better equipped to engage the younger culture with the truth of the gospel and ensure that the freedoms we now know and love will remain until that Lord returns.

Finally, I want to let you all know that we will soon be livestreaming our youth services. We will also be using YouTube to post our content and engage more young people in Middle Georgia with the Gospel. If you would like to follow along our YouTube Channel name is *FBCH Anchor Studio*. With that said, youth parents, we will be having a youth work day to make some changes in the youth room on Nov. 21st from 10-2 pm. Parents are encouraged to help as well. We are also wanting to ask the church family if you have or know of anyone that has a couch that they would like to donate to the youth game room to please contact me at pastormattfbch@gmail.com. We are in need of several.

Well it is that time of the year again... It's time for REVIVAL!!!

Most of the time when we think Revival we think about a preacher or a few preachers coming in and speaking to the congregation and challenging them from God's Word on rekindling a fire inside of them to face the world for the cause of Christ.

What if, since it is 2020, Revival looked a little different?

What if you came to revival because you KNEW your kids needed Revival as well?

What if this was the revival that your family would be complete in salvation?

What if we treated this revival as if our lives, family, and our nation depended on it?

Well we are depending on this revival like never before. We are living in different times and during all this confusion going on in our world with elections, the virus, and all of the changes that have happened around us because of both of these, we need a time of renewal and

refreshing. And it is not just about us adults. Our kids need it too.

I pray and hope that you will make this revival about your family and you. That you will make it a priority for you and your family to be in attendance every service. That you will come prayed up and ready for the message that will be given.

We will be having Children's services as well for each service. We will be worshipping, having a great message, and enjoying our time together. So don't leave your kids at home, bring them with you and let's all experience revival together as a family.

Things are in full swing and I know many of you will have classes going on some night, but I want to extend a personal invitation to attend all of our Revival Services. These are probably some of the most important services our church has had in a very long time. We all need revival. I hope that you will make plans to be here for every service that you can make.

Don't forget that we have a few things coming up:

- * \$50 deposit being made each month thru Jan.
- * Need \$5 for our Friendsgiving
- * Nov. 18th is our Friendsgiving at the Hurst Home 6:00 PM (Bring your own Steak!)
- * Selling Boston Butts for Christmas; this will be our only fundraiser for our retreat.
- * Dec. 2nd Christmas Party Sock Exchange at the Wrye Home 6:00 PM
- * Dec. 23rd Cooking and Pickup of Butts
- * Jan. 15th—18th C&C Retreat

Make plans to attend as many of these events as well. Fellowship is important. We are still meeting on Sunday Morning at 9:15 AM, Sunday Evenings at 6:00 PM, and Wednesday Evenings at 6:30 PM. Come and get involved and invite someone to come with you.
